TEX MOTORCYCLE ACCESSORIES

TEX MOTOR Motorcycle Accessories

ALWAYS AT YOUR SERVICE

PLANING

With our R&D and Production team, we can produce the products belonging to our company quickly. We realize the delivery time as soon as possible with logistics planning.

SOLUTION ORIENTED

We aim to provide a better service by making faster decisions with our team in all operations.

EASY DIGITAL SERVICE

You can easily place your orders with the digital interface we have established.

About Us

We entered in 1998 in the textile industry. It operates under the name of Zeynep Triko. Our company, which manufactures and imports motorcycle accessories in 2005, It has been operating under the brand name of Tex Motor since 2008. Our company meets all the needs of motorcycle lovers such as clothing and accessories and closely follows the innovations in the sector. Together with the manufacturing and marketing team, we sell to all motorcycle stores in Turkey and export to many countries.

WWW.TEXMOTOR.COM

A man with a beard and a woman with blonde hair are sitting on a black and blue motorcycle. They are in front of a stone building with a large arched doorway. The man is wearing a black jacket and the woman is wearing a black jacket and a backpack. The motorcycle has gold-colored front forks. The background is a stone wall with a green metal fence in front of it. There are red splatters in the top right corner.

KRYPTONITE®

KEY & COMBO SAFE PROGRAM

WHAT IS IT?

Kryptonite's Key Safe™ and Combo Safe™ Programs offer our key and/or combination lock customers a piece of mind in the event they lose their keys or forget their combination. You **MUST** register your combination or key number with us in order to partake in this program. For keys: If you misplace them and registered with us, submit a request on our website, and we will send you your first pair (2) of standard replacement keys for FREE. No shipping charges, no handling charges, and no hidden fees. For combinations, if you forget them and registered with us, submit a request on our website, and we will be able to provide you your code. If you change your combination, be sure to update your registration with us!

**KEY SAFE
PROGRAM**

**COMBO SAFE
PROGRAM**

WHAT DO YOU NEED TO DO TO REGISTER? IT'S SIMPLE!

- After you purchase your Kryptonite lock, go to kryptonitelock.com and click the register your key/combination icon to begin filling out the short form.
- Your key number is either printed on the key fob or on the metal tag that is included on the key ring.
- Once the form is filled out, click submit. You are now registered!

For videos about the Key Safe and Combo Safe programs, visit:
YOUTUBE.COM/KRYPTONITELOCKS

Please note: Not all Kryptonite locks are eligible for the Key Safe™ and Combo Safe™ program. Check for the key safe or combo safe icon on the back of the packaging or visit our website to see which locks are eligible.

KRYPTONITE DISK LOCK

Evolution 003212 Kompakt Disk Lock

- 13 MM HARDENED MAX-PERFORMANCE STEEL EARRING is resistant to bolt cutters and leverage attacks
 - INNOVATIVE FLAT-TOP PLATE design, while being compact in height, allows the lock to be attached to the rotor spider in multiple places
 - Patented HARDENED DOUBLE DEADBOLT design provides additional protection against bending attacks
 - Reminder Cable
- Product Dimensions:
0.71" (18mm)
Item Weight:
0.64kg

Evolution 003243 Armored Disk Lock

- 13MM HARDENED MAX-PERFORMANCE STEEL EARRINGS
 - REINFORCED METAL HANDLES cover and protect the shackle as a layer while resisting bolt cutters and leverage attacks
 - HIGH SECURITY DISC STYLE CYLINDER, cut and puncture resistant
 - DOUBLE SLIDE DESIGN
 - Includes KRYPTONITE BRANDED SECTION to prevent scratching during travel
- Product Dimensions:
1.8" x 2.1" (48mm x 54mm)
Item Weight:
0.84 kg

KRYPTOLOK 004776 Alarm Disk Lock

- 6MM Locking Pin
 - ZINC DIECAST BODY DESIGN and construction
 - Built-in 120dB ALARM SPEAKER SYSTEM
 - WEATHER RESISTANT ELECTRONIC module is fully protected
 - LONG BATTERY LIFE with replaceable high-capacity 900mAh CR2 battery
- Product Dimensions:
78mm x 54mm
Pin Size: 6mm (fits rotor size up to 6.5mm)

KRYPTONITE DISK LOCK

KEEPER 000877 5-S2 CHORME Disk Lock

- Double reinforced, HIGH SAFETY DISC TYPE CYLINDER
 - STAPLE STYLE disc lock immobilizes vehicle to prevent tipping or theft
 - COMPACT, LIGHTWEIGHT AND WATERPROOF
 - 5.5mm pin diameter, smaller vent fits your holes
 - Reminder Cable
- Product dimensions: 0.21" (5.5mm) locking pin diameter
 - Product weight: 1.24 lb (0.56 kg)
 - Other equipment information: Maximum distance of 1.63" (41.5 mm) to insert the disc rotor
 - 0.24" (6.0 mm) maximum disc rotor thickness for locking
